

## MECHANICAL ASSEMBLER

Faustel is one of the world's leading manufacturers of high-tech web converting equipment for the textile, film, foil and paper converting industry. We have an outstanding opportunity available for a **Mechanical Assembler** at our facility in Germantown, Wisconsin. Faustel is committed to listening to our customers and providing unsurpassed service.

The position is responsible for the mechanical assembly of custom machine subassemblies and complete units. Requires a broad knowledge of heavy equipment assembly and erection.

### **Responsibilities**

- Reviews drawings, blueprints and specifications to plan work and sequence of operations. Work from multi-page and progressive drawings to accurately assemble components.
- Rig, move and position parts and subassemblies using floor operated bridge crane and lift truck. Perform necessary fitting, aligning and adjustment of parts with assistance as needed.
- Layout and construct shipping skids, boxes, containers, etc. Assist with disassembly of completed units and packaging of items for shipping.
- May be assigned work requiring equal or lesser skills depending on production schedule requirements.
- Regular attendance, teamwork, initiative, and promptness required.
- Observe all safety rules to prevent injury to self and others and maintain a clean and orderly work area.

### **Qualifications**

- High school diploma or GED
- 5+ years of related experience and/or training
- Strong verbal and written communication skills
